This year's hometown Halloween will take place on Saturday, October 29th, 2016. It will start at 10:00 am on Main Street and end at 1:00 PM when everyone is asked to head down to the city park for Pumpkins in the park!

Please return this form to Cary Linkswiler via Email: cary.linkswiler@gmail.com or Text: 540-960-0748 (picture image) by Friday, October 21st, 2016.

Rules for Setting up:

All business should bring their own tables, chairs, decorations and enough candy to last the duration of the event!

Last year (2016) we had over 1000 participants so come prepared!

Businesses are encouraged to "decorate" their station, you never know if you're being judged or not.

There is to be no selling of any kind, unless approved by Hometown Halloween! (see Cary Linkswiler or Paul Linkenhoker)

Set up time starts at 8:30 am! No vehicles will be allowed on Main Street after 9:45.

Please check in at the Registration Desk when you arrive!
